Where did the events giving rise to your claim(s) occur? Clarindon ave between
Nostrand & East 29 Street Brooklyn, New York usa

When did the events happen? (include approximate time and date) It was approximate
10pm. March 27, 2018

Facts: (what happened?) My facebook page was hacked by NYPD & Brooklyn South unconstitutional Warrant Squad. They send fake texts, calling my phone and breach my iPhone privacy contract to track my location. I was in a parking spot on Clarindon ave between Nostrand and East 29th street Brooklyn, New York usa, When 5-7 men in full black jumped out and start pulling on my auto mobile door yelling Kevin Anderson get out with guns drawn out pointing at the driver side window forcing me out of my auto mobile. They never identify themselves nor have any name tag on there clothes. After forcing me out I was kicked in my right knee, Punched in my left shoulder, pushed face down on the street with 2 of the men knee on my back. I was in fear of my life calling out for help to the public to record what happening to me. The wrongdoer with his knee close to my neck started to bend my arms behind my back forcing cuffs extremely tight. The wrongdoer then forced me in there unmarked van. Three of them took me to the 67th precinct for approximately 5-10 min then unlawfully searched me, then they found my Native American Binay Washitaw I.D card plus \$363 with all my bank Card with my Name Sage El. see attached (3)

II.A. Injuries. If you are claiming injuries as a result of the events you are complaining about, describe your injuries and state what medical treatment you required. Was medical treatment received?

My right knee was painning me very much and I was limping, couldn't walk. My left shoulder was hurting very much and both wrists cut and bleeding. On arrival I request for a wheel chair and I need to see the head physician, when he appear he was very defensive about helping me because he ask me my name and I told him Sage El and not the names they gave him on that fake warrant.

~~see attached (4)~~

attached (1)(2)

The wrongdoers then show me a picture say they have a warrant under Winston Hall aka Kevin Anderson which I denied and I ask them for the affidavit in support for that fake warrant they didn't have none. I made a judicial request for them to take me to see a Article 3 Judge immediately and to take me to a Hospital.

The wrongdoers then took me to the 78 precinct to pick up another one of there Capt. who told them to take me to New York Presbyterian Hospital.

- After the Hospital the wrongdoers took me to D.O.C custody without being arraigned by a Judge and that was a violation to my due process of my 6th Amendment rights. I was then forced to change off my regular clothes and told that I have to be process in there system before I can make a call to my family. The fax ID of the D.O.C agent who process me under a fictitious name was 6059.

On March 29, 2018, I was then taken to 320 Jay St Supreme Criminal Court for a Chang. I was found not guilty on Sep 18, 2017.

Danny Chun and Baker both talked about remanding me Sage E in open Court before I went in, said my trustee that was present in the audience in the Court. Baker who is a high profile ex district attorney who was assigned to represent me began to talk when I enter the Court room. I say I Object Trinsey vs/ Pagliaro Council in brief or in oral argument is insufficient for summary judgment. Then Danny Chun testified on the record let's give him a 130 remand, I Object on the record then ask him about the Quo Warranto I send to him usps registered mail. He never answered, then the court military took me away back to D.O.C custody without bail. until April 18, 2018.

He then looked at me without examining my injuries and
told the 2 wrongdoers "he look ok", I then yelled in pain
Please examining my injuries. He didnt respond and told them to take
me away with them.
